Current Progress

- Finished Implementing the Application

- Not quite finished☺ There are still some test cases(unit testing that needed to be added)

- Implementing the bibtex

- Finding some more references to add to the report

Problems Encounted

- Struggling with adding diagram and graphic into the report
- How to add subheading into the report?
- How to change the content page to reflect all the subheading.

Future Plan

- Completes Unit testing
- Add subheading to the report
- Change the content page
- Finishe off the report
